

OPTI-West Research & Faculty Development E-Bulletin

Volume 4, Issue 1

January 27, 2010

Dear Colleagues,

You are invited to submit a proposal to conduct a workshop, participate in a panel discussion (new this year), or give an oral or poster presentation at the 2010 AHRQ PBRN Annual Conference in Bethesda, MD, June 16-18.

Proposals related to work conducted in a primary care practice-based research network (PBRN) are welcome from researchers, network directors, clinician members or network staff. You can present either completed PBRN research or PBRN research in progress. Information or results that have previously been published or presented at an earlier AHRQ PBRN Annual Conference are not acceptable. Since the number of presentations is limited, the AHRQ program committee may request a change in format.

The deadline for all submissions is Monday, February 22, 2010.

You will receive notification about acceptance of your submission by Wednesday, March 24, 2010.

Please visit the [2010 AHRQ PBRN Annual Conference](#) page for [Submission Instructions](#) and more detailed information.

Please note: All presenters must register for the conference and pay for their own travel and lodging. An announcement will be made when conference registration opens in March. AHRQ will award a limited number of scholarships to conference presenters to offset travel and other costs.

We encourage your participation in this year's AHRQ PBRN Annual Conference and hope you will be able to join us in June.
