

OPTI-West Research & Faculty Development E-Bulletin

Volume 4, Issue 6

March 18, 2010

For those OPTI-West members (including faculty) considering possible research projects in collaboration with any Western University college, the University has announced an intramural (e.g. internal) grant opportunity for this year. Please see the Grant Application form attached for specifics, but the application is not particularly hard, and there may be a possibility for your project.

[Intramural Grant Application](#)

Please feel free to contact me if you have any questions.

Regards,

*William J. Cairney, PhD
Executive Director, OPTI-West
