2011 AHRQ PBRN Research Conference TRAVEL STIPEND APPLICATION

Application Deadline: Friday, April 1, 2011

You are invited to submit an application for a \$750 travel stipend to offset the costs of attending the 2011 AHRQ PBRN Annual Conference, held on June 22-24 at the Doubletree Hotel in Bethesda, Maryland. Applications are welcome from researchers, network directors, clinician members and network staff working within a PBRN who lack travel funds and are interested in learning more about practice-based research.

Eligibility:

Applicants must be affiliated with a PBRN registered in the 2011 AHRQ PBRN database to be eligible for a travel stipend. Travel stipends are intended for individuals who can demonstrate financial need and will not be awarded to applicants from networks with sufficient travel budgets. Applicants that have submitted a proposal to present at the conference will take precedence. AHRQ will award stipends to no more than two individuals per network.

To Apply:

1) Applications must be completed using the online submission process by April 1, 2011. Applicants will be notified via email regarding the status of the application by April 15, 2011.

2) Applicants will be asked to:

* Describe the extent of their current level of involvement in PBRN research or interest in learning more about practice-based research;

* Provide a summary of what you hope to learn at the conference and how you will apply that information to advancing your network or your interest in practice-based research; and

* Provide a statement of financial need.
