Seeking presentation proposals for the 2012 PBRN Conference

This conference will be in Washington DC (Bethesda, MD), June 21st & 22nd, thanks to a grant from [AHRQ](#). Please help spread the word about this conference. Forward this email or use the social sharing buttons at the top.

The deadline for submissions for this conference is this Friday, March 23rd. [Click on this link for the submission form.](#)

NAPCRG's 40th Annual Meeting New Orleans, LA December 1 - 5, 2012

Submissions are also being accepted for the Annual Meeting. It will be our 40th Anniversary celebration and the Program Committee is planning quite an experience for you! [Click here for submission information.](#)

Wood Award

Nominations are being accepted for the 2012 Wood Award. Please email your nomination, along with the candidates CV, to Priscilla Noland at pnoland@napcr.org.

Barbara Starfield Awards

NAPCRG had 92 works-in-progress posters presented by students, residents and Fellows in Banff. The NAPCRG leadership would like to recognize and celebrate this increased interest from the up-and-comer's in primary care. In New Orleans, the first Barbara Starfield Awards will be presented to trainees. More details will be coming after the Board meeting this week. Give your trainees a heads-up about the presentation (and now award) opportunities in New Orleans.

And remember, students, residents and Fellows can take advantage of NAPCRG's e-membership (it's f.r.e.e.).

Have a terrific week,

Angela
