BETHESDA, MD | JUNE 29-30, 2015 | HYATT BETHESDA

The Call for Submissions for the 2015 NAPCRG PBRN Conference is now open!

Get all of the details and information in the [2015 Call for Papers](#).

This year's conference theme will focus on all aspects of engagement. Submissions should address diverse topics of interest to patients, caregivers, patient advocacy groups, community organizations, community clinicians, practice facilitators/study coordinators, network leadership, payors, funders, and policymakers.

This year we are offering a new special session entitled "Daring/Dangerous Ideas" which will offer a platform for sharing daring or dangerous PBRN research or primary care clinical idea that should be heard in the PBRN community.

Submissions in the following topic areas are encouraged:

- Stakeholder Engagement
- PBRN Infrastructure/Operations
- Networking and Partnerships

- Prevention
- Chronic Disease Management
- Quality Improvement
- Electronic Health Records/Health Information Technology
- Health Disparities
- Research Methodology/Translation into Practice

There are five (5) categories of submissions accepted for the 2015 NAPCRG PBRN Conference.

- Research/Scientific Abstracts
- Innovations in PBRN Methodology
- Skill Development Workshops/Forums/Panel Presentations
